### Hérémente Winter Pass 2018-2019

Dear second home owners,

The winter season is rapidly approaching. With it, various winter activities are underway in Hérémente, Masses, the Val des Dix and the villages in our commune.

Following the Hérens Discovery guest card launched this summer and as you pay tourist taxes, we have decided to offer each owner of a second home in the commune of Hérémente, as well as his or her family (partner, children) certain benefits for the 2018-2019 winter season.

**Below you will find a table of the benefits you are entitled to.**

**To claim each family benefit, you must present your Winter Pass to the service provider when you carry out your chosen activity.**

If you rent your second home, you become a host. As you re-bill your tourist taxes to your guests, they are entitled to receive their 2018-2019 Winter Guest Card. They may thus benefit from the advantages reserved for them by presenting their card directly to the service provider. In this case, please contact Hérémente Tourisme on +41(0)27 281 15 33 or by email [heremence@valdherens.ch](mailto:heremence@valdherens.ch) so that you can give them their cards.

The launch of this new Pass will require improvements (credit card format, increased offers, etc.) for both the summer period and next winter. We would be delighted to receive your feedback as well as from your guests on this product. We are open to any ideas in this matter.

We thank you in advance for your kind cooperation and remain at your disposal should you have any questions.

Enjoy the activities!

Hérémente Tourisme
